Metr with Ms [REDACTED] Pt known to writer from previous admissions for CHF. Pt was last discharged from this hospital on 10/28. Pt states that she came to the hospital because her breathing wasn't right. Denies noticing any swelling in her legs. Pt she was taking all of her medications as prescribed. She has a pill box that she uses for her am and pm doses. She denies forgetting to take her medications. She reports that she still is eating some processed foods (Lean cuisine). She does not have a working scale at home. Pt states that she did have a HHC nurse coming out to see her. Pt is happy that her guardian comes out to check on her and she has a life alert button. Pt wants to return home to her apartment. Elaine CM has already evaluated Pt and referred to MSW. Pt is agreeable to post discharge follow up call. JC x6935
